THE MOUNTAIN ASH

pictured here, will give you large clusters of creamy white flowers in May and loads of bright orange berries in the late Summer and Fall, besides a cool, lacy shade in Summer.

Double-Season Trees

like our **Mountain Ash**, **Pink** and **White-flowering Dogwoods**, **Flowering Crab-apples** and **Hawthorns**, will be showpieces at least twice during the year. Use them on lawns and terraces for more beautiful and more useful home grounds.

SHRUBS

that have a **DOUBLE SEASON** value include the **Linden Viburnum**, **Japanese Kerria**, **Regel Privet** and several **Cotoneasters**.

Visit our nursery and let us suggest the plants that will give you **MORE BEAUTY** in the same space.

Our trees, shrubs, evergreens and perennials are given the best care, so they will grow better in your landscape.
